JOINT MOTION TO CONTINUE INITIAL CASE MANAGEMENT CONFERENCE

Plaintiff, Energy Automation Systems, Inc. ("EASI") and Defendant Xcentric Ventures, LLC ("Xcentric"), jointly move to continue the January 8, 2007 Initial Case Management Conference until an available date after the first week of February 2007. The parties submit this motion for two reasons. First, counsel for Xcentric was only recently retained and has yet to file a response to the Complaint. Second, Defendant Edward Magedson has not been served and Plaintiff is diligently attempting to serve that Defendant. Plaintiff hopes to have Mr. Magedson served within the next few weeks.

Accordingly, the parties move the Court to reset the Initial Case Management Conference to an available date after February 12, 2007.
